

## How to Use Voice Broadcaster (Interactive)

### Step 1: - Voice Broadcaster

Voice Audio reaches the recipients with Detail like Payment Amount, Due Date, and Student's Marks.

The screenshot displays the 'Voice India : Business Voice Broadcasting Server' web application. The interface includes a top navigation bar with 'Home', 'Broadcast', 'Report', 'Setting', 'Freebies', and 'Help'. A left sidebar contains several menu items: 'Quick Dial', 'Voice Recorder', 'Voice Broadcaster' (highlighted with a blue arrow), 'SMS Broadcaster', 'Contact Book', 'Scheduler', and 'Device'. The main content area features a 'Start' button and four workflow steps: 'Select Contact', 'Send SMS', 'Select Voice', and 'Broadcasting'. Two primary options are presented: 'Simple Play Voice only' and 'Interactive Play Voice with Data'. The 'Interactive' option is selected and includes a description: '- Voice Audio reaches the recipients With Detail like Payment Amout, Due Date, Student's Marks.' Below each option are 'Tutorial' and 'Sample' buttons with play icons, and a 'Start Here' button. The footer contains contact information: 'Product By : Laxmi Software Technology | Web : www.VoiceIndia.co.in | Care : +91 8100 82 82 82 | Copyright © 2015 - 2019, All Rights Reserved'.
