

How to use Voice India Telegram Software

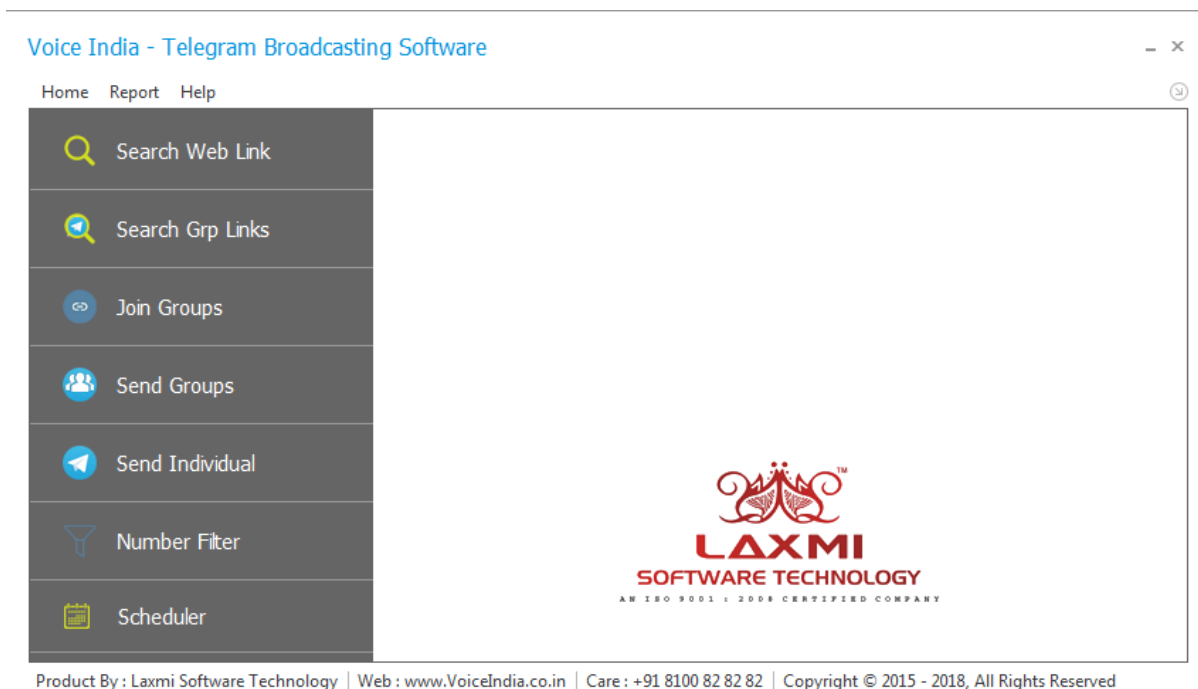

Step 1:- Double Click on **Voice India Telegram Icon**.

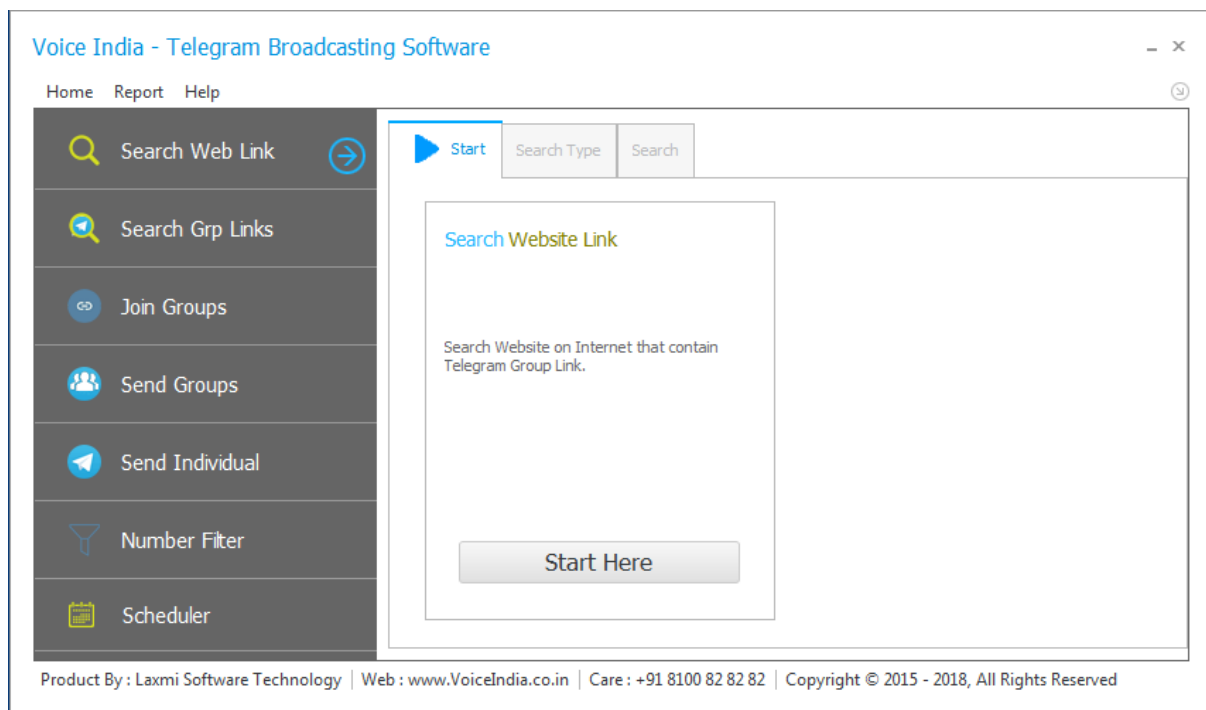

Step 2:- Enter **Password** then click on **Login** button.

The login screen for the Voice India Business Voice Broadcasting Server. It features the Voice India logo at the top, which consists of a colorful rainbow arch over the text "VOICE INDIA". Below the logo, it says "BUSINESS VOICE BROADCASTING SERVER" and "AN ISO 9001 : 2008 CERTIFIED COMPANY". There are two input fields: "Client ID :" with the value "Admin" and "Password :" with masked characters "*****". Below the password field, there is a checkbox labeled "I Accept Terms & Condition" and a link "Forgot Password?". At the bottom, there are two buttons: "Login" and "Cancel". On the right side, there is a large grey gear icon and a blue Telegram icon. At the very bottom, a footer bar contains the text "Product By : Laxmi Software Technology | Web : www.VoiceIndia.co.in V. 2.3.0.0".

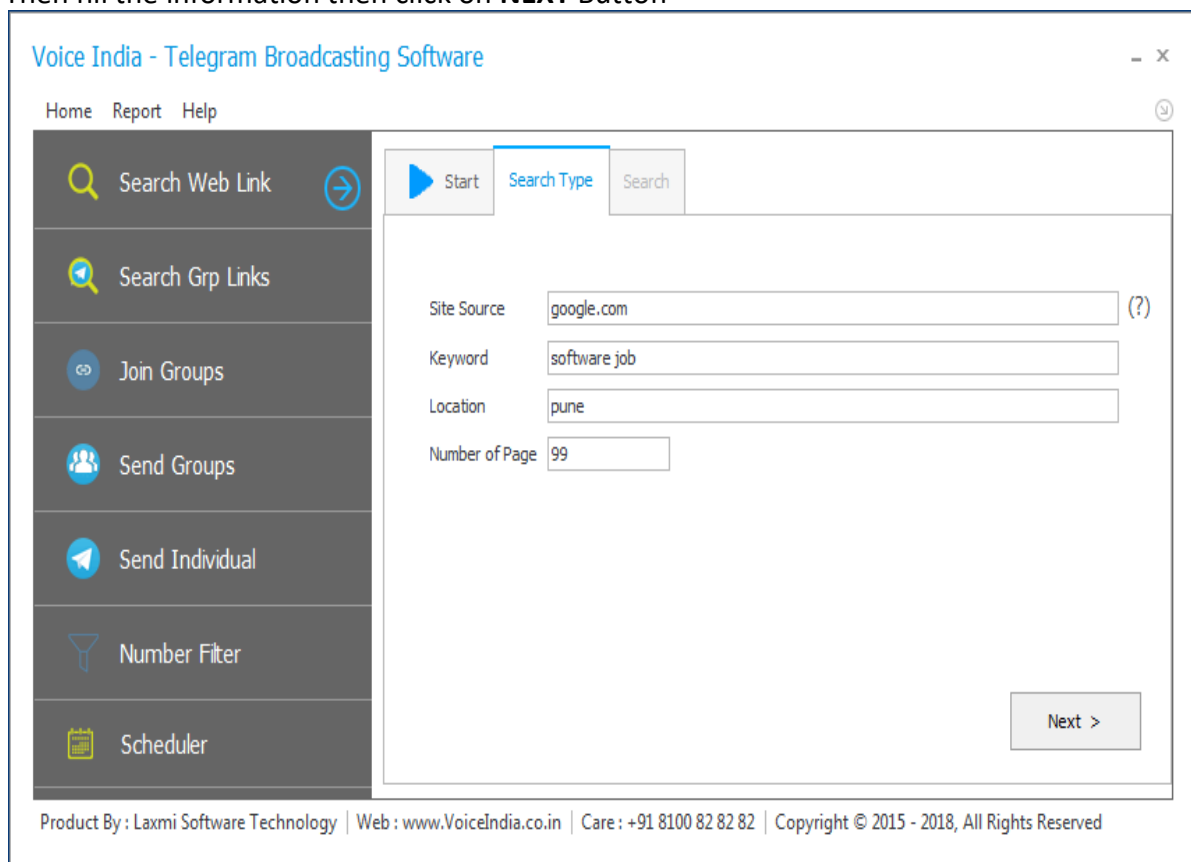

Step 3:- After that you can see this **Telegram** panel box.

Step 4:- Click on **Search Web Link**, then click on **Start Here** Button.

After Click on **Start Here** button you can see look like this **Search Type Tab**,
Then fill the information then click on **NEXT** Button

After click on **Start** Button it will search the site name according to you inputted. Then after you can directly **Search Group Link** from **search Group Link button** through or you can **Export** all link in TXT file after that you can import txt file and search group.

Join Group

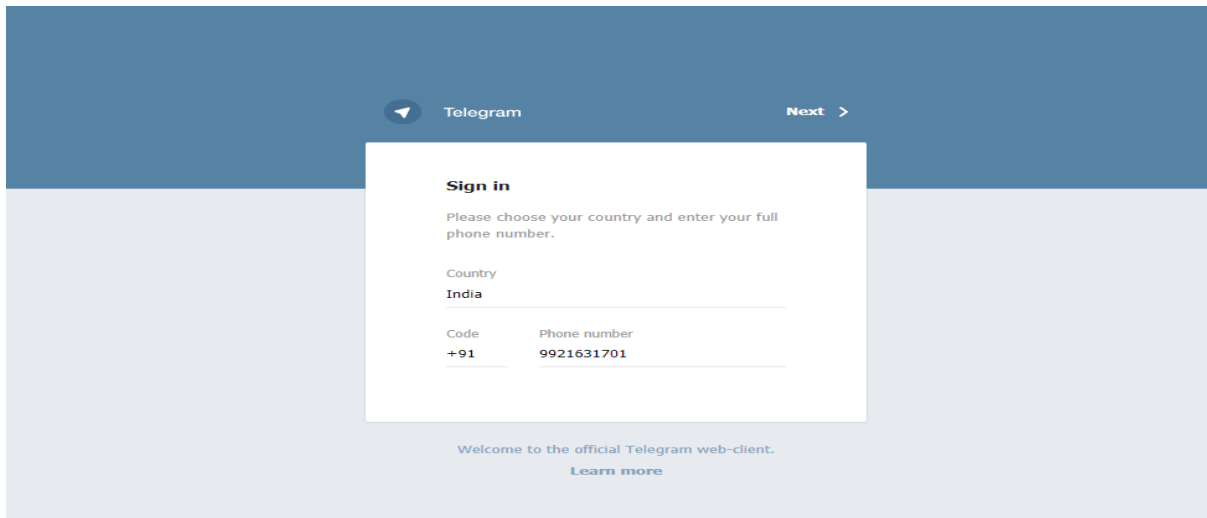

Step 6:- Now click on **Join Groups**.

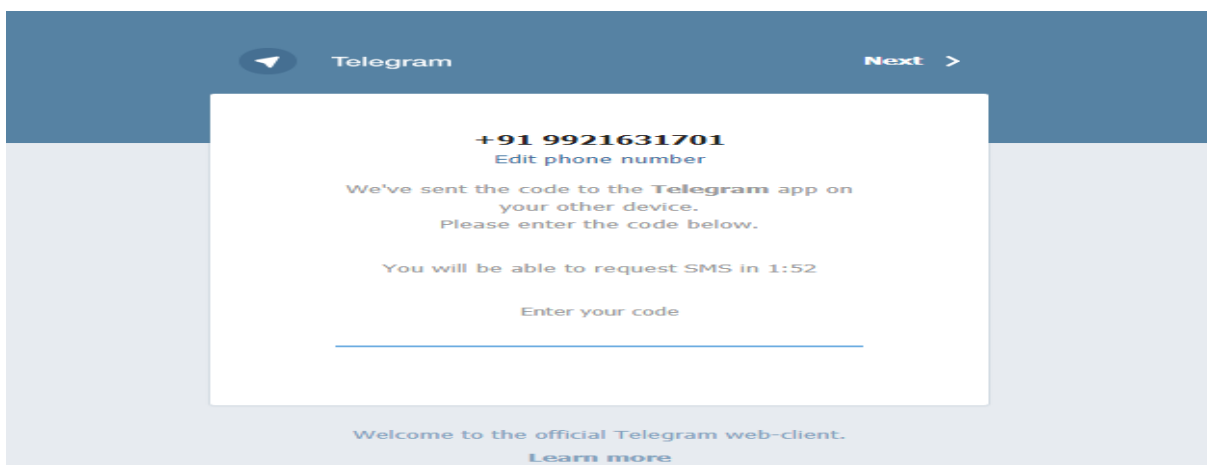

After click on **Join Group** you can see look like this **Group Link Tab**. Now here you can either **copy-paste** or **Import txt file** from here. After that click on **Next** Button.

After click on **Next** button you can see look like this in **Join Group**, then click on **Setup** Button. Then after click on **Setup** button then it will redirect on <https://web.telegram.org/#/Login>

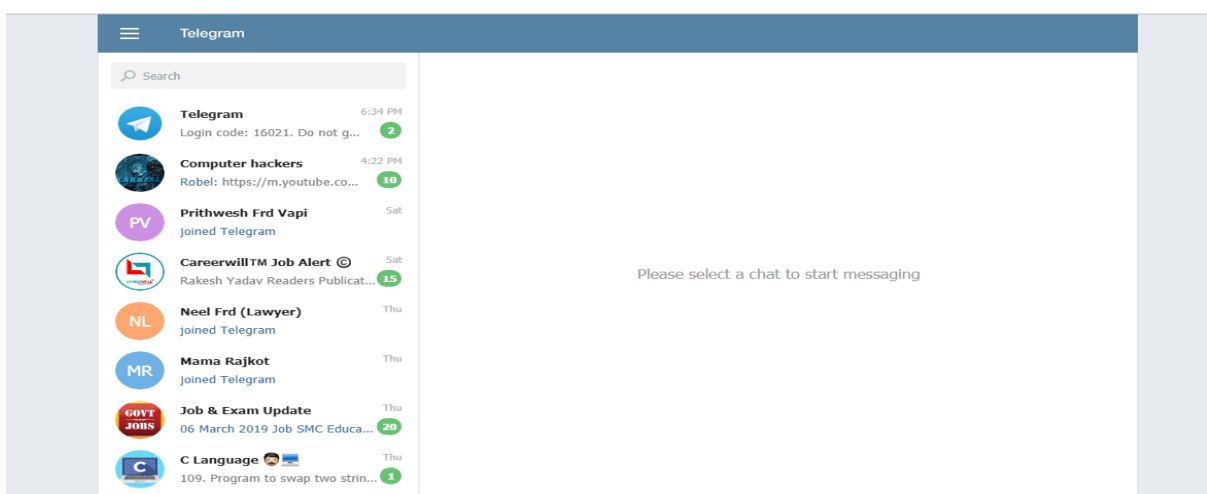

The image shows the Telegram login interface. At the top, there is a blue header with the Telegram logo and a 'Next >' button. Below the header, a white box contains the 'Sign in' section. It prompts the user to 'Please choose your country and enter your full phone number.' There are two input fields: 'Country' with 'India' selected, and 'Code' with '+91' selected. To the right of the 'Code' field is a 'Phone number' field containing '9921631701'. Below the input fields, there is a link 'Learn more' and a message 'Welcome to the official Telegram web-client.'

The image shows the Telegram code entry interface. At the top, there is a blue header with the Telegram logo and a 'Next >' button. Below the header, a white box contains the code entry section. It displays the phone number '+91 9921631701' with a link 'Edit phone number'. Below this, it says 'We've sent the code to the Telegram app on your other device. Please enter the code below.' There is a timer 'You will be able to request SMS in 1:52' and a text input field labeled 'Enter your code'. At the bottom, there is a link 'Learn more' and a message 'Welcome to the official Telegram web-client.'

Then after telegram dashboard will be open look like this.

Then it will start to join in groups.
