

How to use Voice India Whatsapp Software.

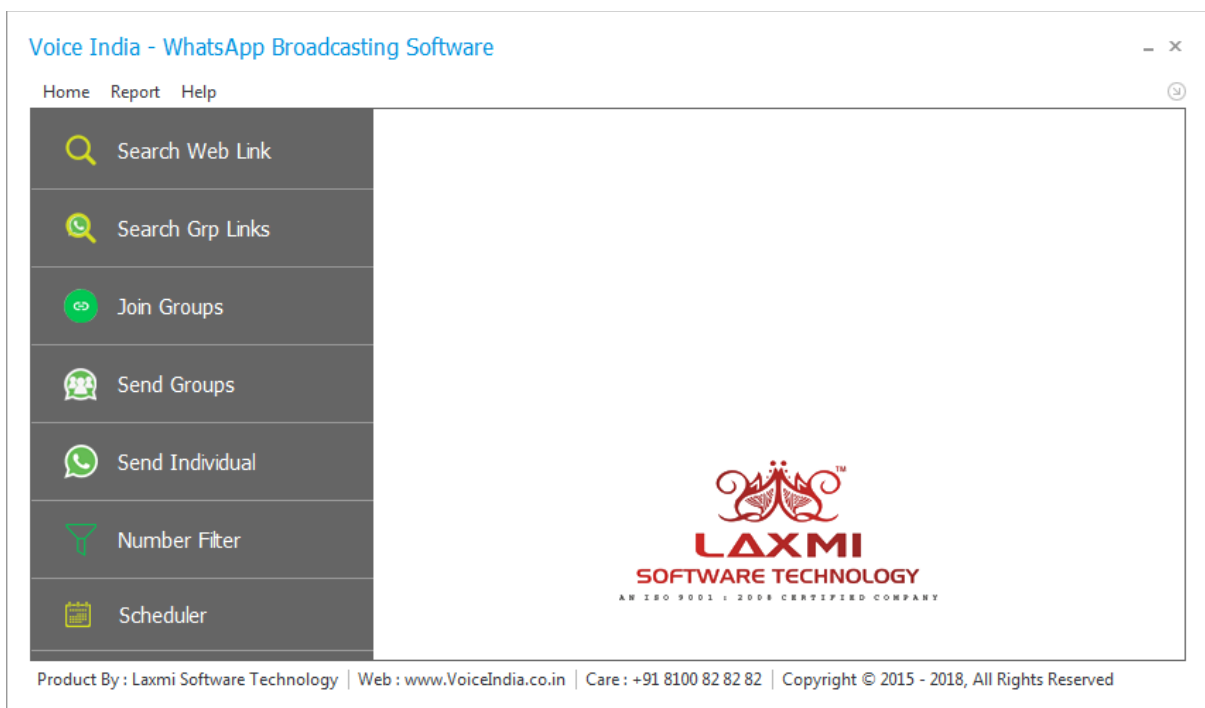

Step 1:- Double Click on **Voice India whatsapp** Icon.

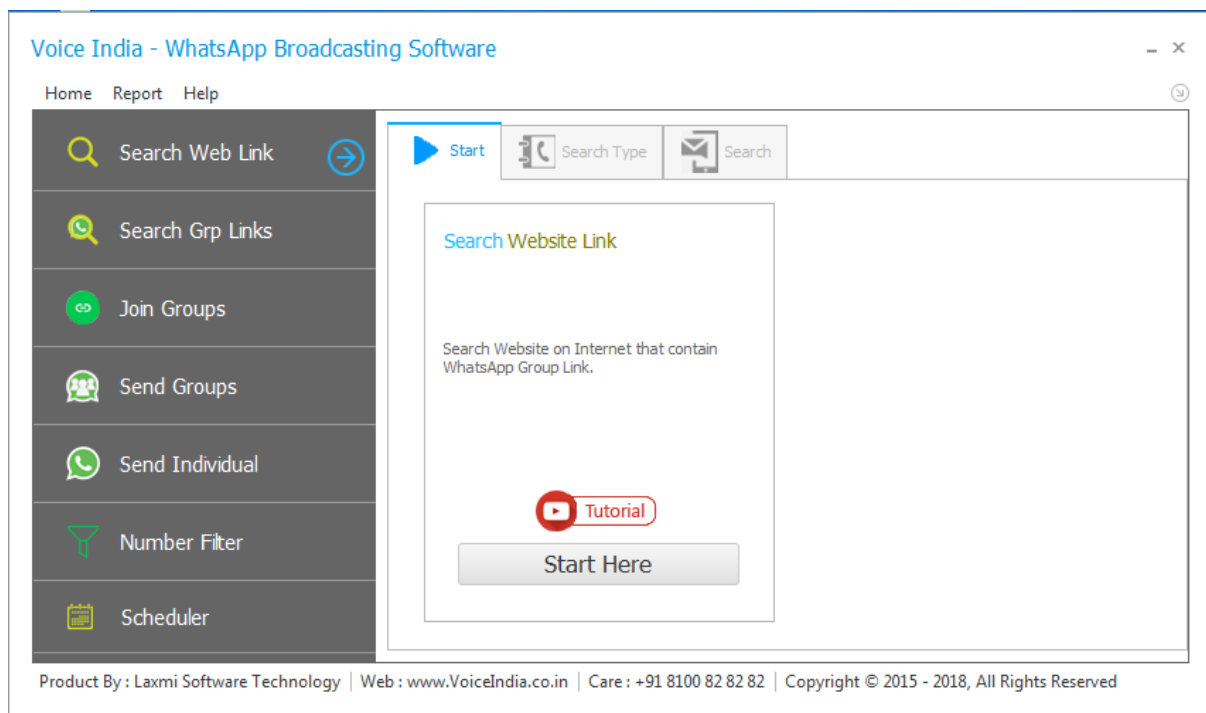

Step 2:- Enter **Password** then click on **Login** button.

The login screen for the Voice India Business Voice Broadcasting Server. It features the Voice India logo at the top, which consists of a colorful rainbow arch over the text "VOICE INDIA". Below the logo, it says "BUSINESS VOICE BROADCASTING SERVER" and "AN ISO 9001 : 2008 CERTIFIED COMPANY". There are two input fields: "Client ID :" with the value "Admin" and "Password :" with masked characters. Below the password field is a checkbox labeled "I Accept Terms & Condition" and a link "Fogot Password?". There are two buttons: "Login" and "Cancel". On the right side, there is a large gear icon and a WhatsApp icon. At the bottom, there is a footer with the text "Product By : Laxmi Software Technology | Web : www.VoiceIndia.co.in V. 2.4.0.0".

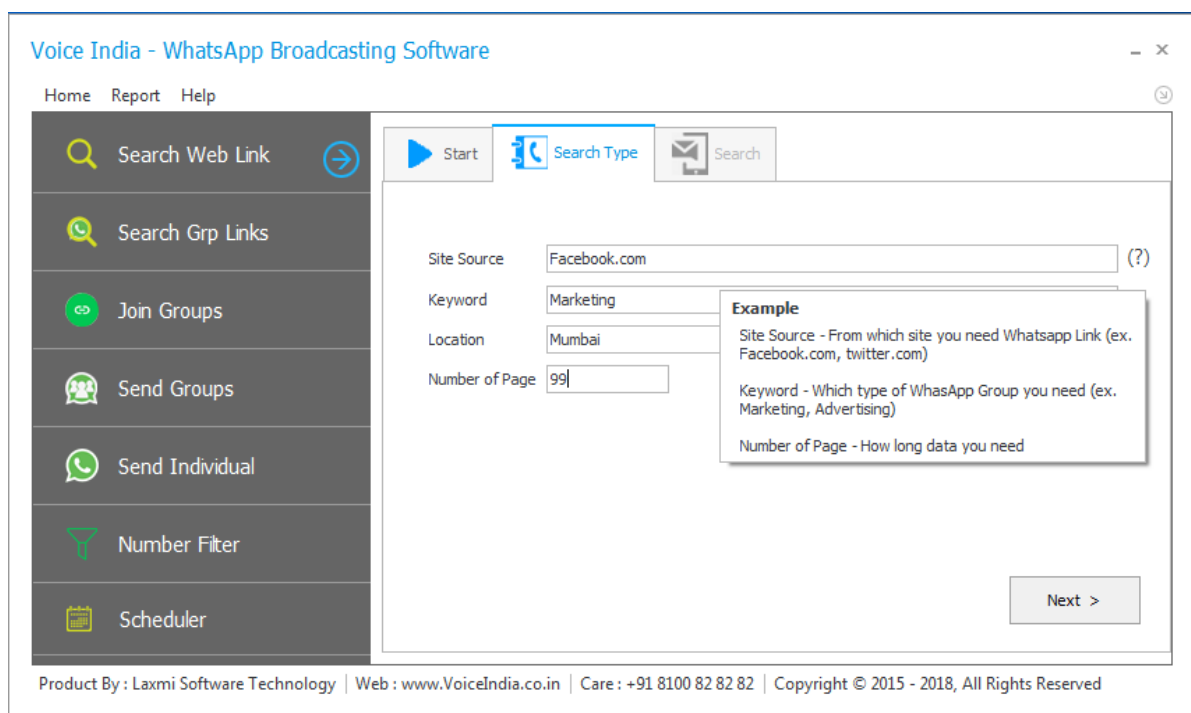

Step 3:- After that you can see this **whatsapp** panel box.

Step 4:- Click on **Search Web Link**, then click on **Start Here** Button.

After Click on **Start Here** button you can see look like this **Search Type Tab**,
Then fill the information then click on **NEXT** Button

After click on **NEXT** button you can see look like this **site search**, then click on **Start** Button

Then at last report will be **generated** when all group and number sent by system.

OR

Click on **Start Here** Create Send & Remove Group, **Enter Contact Number or Import** from **textile** or **Excel file**, and then click on **Next** Button.

The screenshot shows the 'Make Group' application window with the 'Select Contact' tab active. The window has a title bar with 'Make Group' and standard window controls. Below the title bar is a navigation bar with four tabs: 'Select Contact' (active), 'Group Detail', 'Compose SMS', and 'Make Group'. The main content area is divided into two sections. On the left, under the heading 'Enter Contact No : (?)', there is a large text input field containing the number '9921631701'. Below this field, it says 'Total Count : 1'. On the right, under the heading 'Or Import From', there are two buttons: '+ txt File' and '+ Excel File'. Below these buttons are two checkboxes, both of which are checked: 'Remove Duplicate' and 'Remove Problematic'. At the bottom right of the main content area is a 'Next >' button.

After click the **Next** Button. Here you can see you can set group name, group DP and authority provided by user who create this group

The screenshot shows the 'Make Group' application window with the 'Group Detail' tab active. The window has the same title bar and navigation bar as the previous screenshot. The main content area contains several form fields for configuring the group. 'GroupName' is set to 'Daily Updates'. 'Group DP' is set to 'C:\Users\Hirenghai_Old\Desktop\Thumbnail Image\A' with a 'Browse' button next to it. 'Number of Member' is set to '225' and 'Auto Remove Member' is checked. 'Group Description' is an empty text area. 'Edit Permission' has 'Admin' selected. 'Message Permission' has 'All Member' selected. 'Group Admin' is an empty text field. At the bottom right is a 'Next >' button.

After fill the information click on **Next** Button. Here you can send message Text, Image, Video, Document, Mixed message but at the time only one.
